

Competitive Analysis

Industrial Adhesives Market - EMEA

TechBond Industries - Market Intelligence Report Date: October 2025 Classification: Confidential

Market Overview

Market Size & Growth

- EMEA Industrial Adhesives Market: €12.8B (2025)
- CAGR: 5.2% (2025-2029)
- Structural Adhesives Segment: €3.2B

Market Segmentation

Segment	Size	Growth	TechBond Position
Automotive	€2.8B	7.1%	Strong (#3)
Aerospace	€1.2B	4.5%	Developing
Electronics	€1.5B	8.2%	Moderate (#5)
Construction	€3.1B	3.8%	Limited
General Industrial	€4.2B	4.2%	Strong (#4)

Competitor Profiles

1. AdhesiveCo (Market Leader)

Attribute	Details
HQ	Frankfurt, Germany
Revenue	€2.1B (adhesives only)
Market Share	25%

Key Strength	Broadest portfolio
Key Weakness	Premium pricing, slow innovation

Recent Activity:

- Aggressive pricing on BondMax competitive products
- Targeting our key accounts (MegaAuto, ChemCorp)
- 15-20% discount offers reported

Product Comparison:

TechBond	AdhesiveCo	Our Advantage
BondMax 500	AdhesiMax Pro	+ 12% strength
SecureSeal 100	SecureBond 100	Faster cure
FlexiGrip 200	FlexiMax 200	Lower cost

2. BondMaster Inc

Attribute	Details
HQ	Chicago, USA (EMEA: UK)
Revenue	€1.4B global
Market Share	18%
Key Strength	Strong automotive relationships
Key Weakness	Limited European presence

Recent Activity:

- Expanding European manufacturing
- New plant in Poland (2026)
- Focus on EV segment

3. ChemBond GmbH

Attribute	Details
HQ	Munich, Germany
Revenue	€680M
Market Share	12%
Key Strength	Technical innovation
Key Weakness	Limited distribution

Recent Activity:

- Bio-based adhesive launch
- Partnership with major OEM
- R&D investment increase

Competitive Positioning

TechBond Strengths

1. Quality consistency
2. Technical support excellence
3. Fast response times
4. Strong customer relationships
5. Growing EV portfolio

TechBond Weaknesses

1. Smaller than top 2 competitors
2. Limited brand awareness
3. Higher price point vs. some competitors
4. Aerospace certification gaps

Opportunities

1. EV market growth
2. Sustainability differentiation
3. Eastern Europe expansion
4. Strategic acquisitions

Threats

1. Price competition from AdhesiveCo
2. New entrants from Asia
3. Raw material cost volatility
4. Customer consolidation

Competitive Response Guidelines

When Competing Against AdhesiveCo

- Emphasize quality and consistency
- Highlight technical support
- Total cost of ownership messaging
- **Do NOT** engage in price war

When Competing Against BondMaster

- Emphasize European presence
- Local support advantage
- Faster delivery times
- Customization capability
